

Ghost Fleet (Astrogator Book 4)

When war breaks out, the Laughing Owl is sent on a mission to discover, if they can, the system of origin of their mysterious rolling adversary. Dying of boredom while waiting for something to happen, Captain Nicholas Steele and Astrogator Cai are not as discreet about their relationship as they should be and soon the whole ship knows. Certain to face the Guilds wrath for their actions and dealing with a foe that has turned out to be tougher than they expected, will the pair manage to fly clear of their adversaries long enough to find a solution to the problems besetting them?
