

## Majestic Mountains of Iceland - The Laugavegur Calendar 2015 UK-Version: Extraordinary Winter and Summer Pictures from the Laugavegur Trail - Iceland's Most Popular Hiking Trail (Calvendo Places)

The Laugavegur Trail in the southern highlands of Iceland has earned a reputation as one of the world's most beautiful and fascinating walks. This enchanting trail distinguishes itself through its natural diversity and strangely colourful mountains. It leads through the Icelandic highlands past hot springs, geothermal fields, lava fields, glaciers and imposing volcanoes. These awe-inspiring pictures were selected from several hikes on the Laugavegur Trail during 2012 and 2013. Many pictures were taken in unique light conditions. Often, the last rays of sun before an impending storm were captured. The winter pictures emerged from an arctic solo-expedition with snowshoes from Thorsmork to Landmannalaugur in March 2013. All pictures were shot with a 22-megapixel, full-frame camera and high-quality lenses. The places you wander underfoot, flourish twofold in your soul. - an old German saying Was Du Dir erlaufst unterm Schuh, wachst im Geiste Dir doppelt zu! Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
