

A Subtle Breeze (Southern Spirits Book 1)

A Subtle Breeze by Bailey Bradford Book one in the Southern Spirits series Ezekiel Matthers and Brendon Shanahan are about to find out that sometimes all it takes is a subtle breeze to shift the winds of fate. Ezekiel Matthers is a reclusive man, forcing himself into the exile of his ranch after a violent assault left him wounded. While the scars on the outside have faded, the damage inside is much harder to conquer. Zeke resigns himself to a solitary existence, aside from his sister Enessa and, of course, his mamas occasional visits. Brendon Shanahan has a very meddling cousin, Gloria, who is best buds with Enessa Matthers. When the two women convince Brendon that he should hook-up with the reclusive Zeke, a plan is hatched that sets a series of events into motion - with potentially deadly consequences. Can Ezekiel conquer his fears and accept what Brendon is offering? Or will Brendon walk away, giving up on the love he has waited for? And will the visits from Zekes mama - deceased for four years now - help the two men find their way to each other? Only time will tell, and that may be the one thing the lovers dont have, because someone is out to destroy everything Zeke and Brendon hold dear - and this time, the bad guy just might succeed. The Southern Spirits series Theres nothing quite like a Southern drawl or Southern charmand nothing so loyal as a Southern spirit. On the surface, McKinton, Texas seems like the stereotypical small town, USA. Smiling faces greet you everywhere you go, and people are quick to lend a helping hand. Most people, that is. Then theres the ones who let hate rule their lives, who are controlled by their own twisted passions, who are determined to hurt and destroy. Only love can withstand and triumph over such hatred, but sometimes, even love needs a helping hand. Theres something in McKinton that stands ready; Southern Spirits that

intervene at the worst and best of times. With their humor, charm, and death-defying love, these spirits. About Bailey Bradford A native Texan, Bailey spends her days spinning stories around in her head, which has contributed to more than one incident of tripping over her own feet. Evenings are reserved for pounding away at the keyboard, as are early morning hours. Sleep? Doesn't happen much. Writing is too much fun, and there are too many characters bouncing about, tapping on Bailey's brain demanding to be let out. Caffeine and chocolate are permanent fixtures in Bailey's office and are never far from hand at any given time. Removing either of those necessities from Bailey's presence can result in what is known as A Very, Very Scary Bailey and is not advised under any circumstances.
