

Golf - The Cure for a Grumpy Old Man: Its Never Too Late

Peter Alliss has been entertaining huge TV audiences for the BBC and ABC in America for many years. In this new anecdotal but thoroughly practical book, Peter Alliss sets out to promote golf as the answer to middle-aged discontentment. Peter Alliss has no difficulty giving compelling reasons as to why golf is the perfect game for adults - breathtaking scenery, fresh air, camaraderie and instant therapy. The author describes how to go about taking up the game, what equipment is necessary to buy and who to contact for lessons. With the aid of line drawings, he describes the basic techniques of golf, how to maintain a consistent swing and how to build up self-confidence. GOLF - THE CURE FOR A GRUMPY OLD MAN is aimed at regular golfers whose skills have deteriorated and would-be golfers who need the guidance as to which path to follow. Alliss's humorous but always helpful book will confirm the great game as a really accessible and hugely enjoyable pastime to pursue for both men and women.
