

Kitcheners Mob the Adventures of an American, in the British Army (Classic Reprint)

Note This brief narrative is by no means a complete record of life in a battalion of one of Lord Kitchener's first armies. It is, rather, a story in outline, a mere suggestion of that life as it is lived in the British lines along the western front. If those who read gain thereby a more intimate view of trench warfare, and of the men who are so gallantly and cheerfully laying down their lives for England, the purpose of the writer will have been accomplished. The diagram which appears on the front and rear covers of the book is a partially conventionalized design illustrating some features of trench construction mentioned in Chapter VI. For obvious reasons it is not drawn to scale, and although it is a truthful representation of a typical segment of the British line, it is not an exact sketch of any existing sector. April, (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
